5. Competition Results Lodgement sheets are to be returned to the Secretary NO LATER than 30 days of each competition, results returned later than 30 days will be void, no points will be issued.

6. Competition Results Lodgement sheets received for a Pinto not enrolled for Annual Awards will be marked invalid and returned to the owner.

7. All result sheets must have the correct placing/s (1st through to 6th placing) for each event or class contended.

In the case of not placing in a class or classes please enter 'DNP' (did not place) you will still be awarded 1 point for each DNP so please still submit your results as prescribed so that the Society Point Score Office can keep a record of all events, classes or categories contended and points accumulated for awards etc. All results for that show must be signed by the Judge, steward or secretary of the show.

8. Lodging completed Competition Results sheets:

A copy of the program is required from the Event, Competition, Agricultural Show Society and OR any other Club, Group event you have competed your Pinto in and are eligible for recording results.

The **front page** identifying the show, event or competition and a copy of the page/s of classes or event/s competed in is sufficient, there is no need for the entire program to be submitted.

All areas of the Competition Results Lodgement sheet/s must be completed correctly, including owner and horse details.

The Competition Results Lodgement sheet/s must be **signed** in the appropriate section of the form on the day of the competition by the **judge, steward or show secretary**.

Separate sheets **MUST** be used for points for each Horse, Amateur Owner or Junior Member (Youth)

*Horse results – if you show more than one horse please put each horse's results on separate pages.

*When claiming points for Amateur Owner or Junior Member (Youth) awards a separate result sheet must be used - do not include these results on the same page as the horses' results. Failure to submit on a separate page will result in A/O or Youth points not being recorded. Please note only classes marked AO will count for AO awards.

Any **incomplete, incorrect or unsigned** result sheets sent into the office will not be recorded. Results sent minus the show program cover and pages of classes competed in will not be recorded.

9. An Independent Pinto Horse Society 'Junior Member' must ride or exhibit a Registered IPHS Pinto whose owner is a financial member of the Independent Pinto Horse Society (the Pinto does not have to be their own Pinto)

10. Pintos whose owners are financial members may be exhibited or ridden by other persons provided they are also financial members of the Independent Pinto Horse Society. Persons that are not financial members may not compete in Pinto classes.

11. There is NO minimum requirement for a Pinto, Junior Member or A/O who attends competitions or events to be eligible for Annual Awards. Provided the correct nomination forms have been lodged and the appropriate fee/s have been paid members may send in results from as many or as few as one competitions or event to have points allocated for the year (ROM's accrue as long as nominations are kept current)

*Professional refers to a person who receives either sponsorship or remuneration, either directly or indirectly for breaking, training, schooling, driving, halter & show preparation, showing or competing in halter or under saddle at any event; conducting clinics, seminars or giving instruction to any other person in showing, competition, training or riding. 25. AWARDS:

Awards will be allocated to encourage members who enjoy competing their registered Pinto/s in a wide variety of equestrian events by providing an attractive system of points to attain recognition of achievement (Register of Merit) and awards across a wide range of categories in which a Pinto may participate.

Awards are divided into 2 categories:

Pinto category – this is for Pinto only classes (classes at shows etc that only registered Pintos may enter ie; Pinto Mare 4 years & Over, Pinto Hack etc, Harness Pinto etc)

Open category – this means the class, event etc is open to any horse or pony regardless of breed or registration ie; led or ridden classes at open hack shows, showjumping, open sporting, endurance etc.

A new open awards category for members with mini's.

Please note we have used the term 'mini's' – this encompasses all mini/small horses/little horses/mini ponies that are 42.5 inches and under and are also registered with MHAA, IMHR or AMHS.

Members may submit results from shows for their mini Pintos PROVIDED that the event is open to all minis. (where MHAA holds closed events for MHAA registered horses only – results from closed events such as this will not be accepted as it excludes the other registries)

This means that as well as being able to send in results for Pinto classes which your mini is eligible for you can also send in results from Ag Shows for classes that are open to all minis, and results from open mini shows. SHOW REGULATIONS

PRESENTING AND SHOWING YOUR PINTO:

This society is a registry for PINTO's. There is a standard for presenting your Pinto regardless of breed. When showing your pinto in Pinto classes at any show the standard for presentation must be followed to maintain the best possible example of the Pinto to be seen exhibited.

Pintos should be presented clean and trimmed;

*Manes are to be clean, preferably plaited or short and banded, hogged manes are acceptable, left natural is acceptable however long manes do restrict the Judges ability to clearly view neck conformation and may be marked down.

*Tails to be clean, either plaited, pulled or left natural, trimmed so as not to drag on the ground, false tails permitted but not encouraged.

*Feet may be oiled or lacquered, either natural or blackened.

*Excess hair to be removed from jawline, legs must be clean, excess leg hair to be removed to permit the Judge to view conformation of legs clearly. (Excess hair and feathers are permissible with specific breed requirements but must be clean and healthy)

Attire must be suitable for the show ring and complimentary to the Pinto, halter class attire can be English ridden or led attire, Western attire or Stock Horse. Leather Halter, Bridle or in hand bridles to suit your Pinto and attire.

BEST PRESENTED CLASS:

100% Presentation of Pinto & Handler.

Pintos will neither be marked down for being clipped or presented with a clean presentable winter coat.

Pintos may be marked down for presenting with excess hair on jawline or legs, feathers are not acceptable (permissible with specific breed requirements but must be clean)

Excess make up in not encouraged.

Manes preferably plaited or short and banded, left natural is acceptable however long manes do restrict the Judges ability to clearly view neck conformation and may be marked down.

Removal of muzzle whiskers and or inner ear hair is left to the individual's discretion.

Hooves may be presented naturally, or with clear or Black lacquer.

Handlers must be neat and tidy and compliment their Pinto, all Junior members **MUST** wear an approved safety helmet, all handlers must wear suitably covered shoes or boots in keeping with their attire.

Crops, canes or whips if carried must NOT exceed the maximum length of 75 cm. Dressage whips are unacceptable in ANY Pinto class.

Riding crops/hacking canes

Dressage whips/ whips exceeding 75 cm

BEST MARKED:

The Pinto which possesses the closest 50 – 50 distribution of colour and white markings shall be selected above that of a lesser marked Pinto as this best represents the characteristics of Pinto markings. The Judge shall take into account the Blue Zone/Shadowing (over lapping of both the white and the solid colour around the edges of the markings) to determine the higher placing when 2 or more Pintos exhibit the correct markings.

LED CLASSES:

Pintos must be presented stood up, either square or with offset feet.

Judges will assess your Pintos Conformation, Movement and Workout.

* Movement and Workout – a walk trot workout is standard, the handler must ensure the Pinto exhibits active movement

*All Stallions / Colts 2yrs and over to be handled by an adult 18 years or older; no exceptions.

*Handling and touching of horses below the shoulder is not permitted (no placing of feet).

RIDDEN CLASSES:

The ridden Pinto is a Pony, Galloway or Horse suitable to produce a comfortable and pleasurable ride for ridden show classes and performance under saddle.

The Judge will assess the ridden Pintos movement, responsiveness, transitions, workout and way of going, taking into consideration the relevant class being judged.

Lead Line classes - The Leadline class is an encouragement class, preparing younger children for later years.

The Judge will be looking for good horse and rider combinations, and be encouraging to all competitors.

Walk Trot classes– The walk-trot division is not for experienced riders on inexperienced horses; nor is it to be used by inexperienced riders who are inappropriately over-mounted on a clearly well-schooled horse, rather this class is to encourage a horse and rider combination that are not yet ready to compete in classes that require a canter.

Newcomer Pinto - Pintos being exhibited under saddle in their 1st season: 1 Jan to 31 Dec annually. For young, green or inexperienced horses that have not competed previously. To be judged at walk, trot and canter.
